#### Comfort Levels For ISRAEL REVEALED Programs & Add-on Packages

While traveling in the US, Tourist Class accommodations provide efficient provides ample comfort. Some price minded guests think a Bed & & sufficient levels of service. In Israel, hotel properties are hand picked & offer you three Comfort Levels . . . Premium, Superior or Moderate (see descriptions). The comfort levels in Israel provide a good balance between quality & price. In Egypt & Jordan, we insist on packages with Superior Comfort Level accommodations. In Turkey, the Moderate Level

Breakfast in Israel is an option. Although this can be a way to save some money, we have found that added transportation to/from the group's hotel, shopping and making one's own morning/evening meals separate from the group's arrangements diminishes the overall touring experience.
